Subject: Approval of Interim Reclamation Surety and Reclamation Contract, Progressive Contracting, Inc. Ft. Pierce Quarry, M/053/0081, Washington County, Utah

Dear Mr. Wilson:

On June 6, 2011, the Division of Oil, Gas and Mining accepted and approved the interim reclamation surety and reclamation contract for the referenced mining operation. Please find a copy of each for your records.

The Division has scheduled the review of the Notice of Intention you submitted. Once we have completed our review and determined the NOI to be complete and adequate, we will adjust the surety amount as needed to reflect your reclamation plan.

Thank you for your cooperation in completing this permitting process. If you have any questions, please contact me at (801) 538-5261 or Lynn Kunzler at (801) 538-5310.

Sincerely,

Paul Baker
Minerals Program Manager
